Nicole Leidenfrost:
Picture "A weekend in Hamburg" (2021)

€9,800.00

This artwork exudes "good mood" and had its fans at the art fair INC in Hamburg. If you also feel a happy mood when looking at this artwork, please consider how your premises would change with these perceived emotions. You can see the MS Louisiana Star in the center, the Elbphilharmonie and the Michel from Hamburg on the side. The artwork was made with acrylic paint, acrylic spray and acrylic pencils. The surface glaze is Lascaux. The artwork is in two parts.
