The artwork shows a forest path painted with powerful expressionist brushstrokes. The scenery reveals a fascinating interplay of pastel colors and bold hues. The brushstrokes give the painting a tremendous intensity and dynamism while capturing the lush splendor of the forest. The pastel colors create a soft, inviting atmosphere, while the bold hues add depth and contrast to reflect the diversity of nature. The vibrancy of the scene is enhanced by the artistic depiction of the forest path with its winding trails and changing play of light and shadow. Material: Acrylic paint and pastel chalk
