Astrid Stoeppel:
Picture "It is written in the landscape" (2025)

€3,400.00

In the new "Script" series, oil and acrylic paints are applied intuitively and liberated to unprimed raw fabric (cotton). Thick strokes of paint, lively sweeps and curved lines characterize this series. The work "It is written in the landscape" is painted with acrylic paints. It is treated with a fixative and thus protected from UV rays and dust. The artwork is signed on the back, provided with hooks and can be hung up directly.
