Bea Schubert: Picture "Home Is Love" (2024)

home Is Love is a 100 cm wide x 70 cm high, 4 cm deep mixed media (acrylic, acrylic ink, neon pastels, spray paint) painting. Delicate liquid glazes create a mystical atmosphere. The large artwork is from the "Home" series. It embodies home, homeland, home, love, contentment, arrival. Birds symbolize freedom and love, renewal and hope. The artwork is ready to hang. The sides are painted, framing not required. The signature is on the lower left side and on the back. Of course, like all my works, it has a glaze that protects against UV light. Enjoy this mystical, abstract landscape painting and the positive, cheerful aura of the picture!
