## Sandra Gebhardt-Höpfner: Picture "Home 1" (2025)

## €2,450.00

A landscape on the Wittensee in Schleswig-Holstein in Germany. The green fields and the open views are breathtaking for me. I was born in a small town near the Wittensee and my second studio is here, so it's home for me. When I look at this nature, feel it, with the wind in my hair, the wild ducks chattering somewhere in the sky, on the water or in a field, it feels deep inside me like home and belonging. And I wouldn't be surprised if a hobbit crossed my path here. Painted with acrylic paint on stretched canvas on a wooden stretcher frame, painted with a brush and palette knife. The original painting painted with acrylic paint is signed on the front and signed + dated on the back. The sides are also painted. The picture can be hung directly with the attached hook (the hook is usually attached before shipping). The main colors are white, blue, beige and green.
