

€2,190.00

I am always drawn to the world of water lilies and their surroundings. The view can sweep far across the water and nature over the trees. The evening sun bathes the picture in a bright, warm light. The water lily blossoms glow in the golden sunshine. A land of peace and relaxation. The picture is signed on the front and signed+dated on the back. The sides are also painted and a hook is attached for direct mounting without a frame.
