Astrid Stoeppel: Picture "Minimalist Color Scheme #7 (Diptych)" (2025)

€6,800.00

n my work, I combine abstract forms and gentle color transitions to create a calm yet dynamic composition. The selection of minimalist, geometric shapes in a harmonious color palette reflects my search for balance and purity. This painting is intended to bring an atmosphere of serenity and inspiration to any space, conveying a message of calm and balance in our often hectic world. The diptych is painted on white, unprimed canvas (white cotton). The acrylic colors soak deep into the fabric. The pigment granulates in some places and the different colors appear rather translucent, but at the same time very color-intensive and lively. It is treated with fixative and thus protected from dust and UV rays. The artwork "Minimalist Color Scheme #7" is signed and dated on the back. It is mounted on stretcher bars (2 canvases, 120x90cm each).
