Mark Hellbusch: Picture "The eccentric - modern, large-format art" (2024)

€4,900.00

The artwork "The Eccentric", painted by Mark Hellbusch in 2024, measures 110 x 120 cm and is 113 x 123 cm with frame. This impressive work, available for €3,900, features a vibrant abstract composition of rectangular and round areas of color in a variety of bright colors. The thickly applied layers and splashes of paint give the work a dynamic and three-dimensional texture. A yellow frame surrounds the picture and enhances the effect of the colourful composition, which impressively symbolizes the creativity and diversity of a large paint box.
