My brother was invited to attend the traditional "garden party" in 2017 as a representative of his company and was able to take at least one shot of the Queen. This motif served me as a template for this picture. Although I have lived in Germany since 1982, I still feel very connected to my royal family and never miss the opportunity to watch "The changing of the Guard" when I go "home". I really appreciate the tradition and everything connected with it. Signed bottom left. Oil on linen - 50x80cm.
