

A field of poppies in Schleswig-Holstein, near Lake Wittensee. The beauty and elegance of the poppies fascinate me anew every summer. I can watch their steadfast dance in the wind and sun for hours. The original painting is signed on the front and signed and dated on the back. The sides are also painted. It can, if you wish, be hung directly without a frame using the attached hook. The picture is finished with varnish with UV protection.

[illegible]
