## Bea Schubert: Picture "Home Is Love No.12" (2025)

## €890.00

"Home is love" is painted in many layers, it is worked in the middle with crackle technique, so that cracks appear. There are some symbols on the artwork. The surface is both lively and calming in many areas. Our home is extremely important to our lives. Many of my artworks revolve around the theme of home. This is where we experience love and affection. It is where we feel safe and secure. The artwork is 38 cm wide 46 cm high and 1.5 cm deep on canvas. The sides are painted. The picture is varnish-coated (silk matt) to protect it from UV light. It can be hung immediately.
