

For myself, one of my favorite works. I love the bold colors and in the creation I fell in love with the two girls :-). I think and I hope it goes to some others also so. The name came from a song that I heard again and again while painting. "Girl on Fire" by Alicia Keys is a beautiful song that is absolutely appropriate for my new painting. Have fun with the picture and my style, and I look forward to your feedback on it. Art from Lake Constance Uli Fischer
