

Viva la Vida No.19 is an 80 cm W x 80 cm x 2 cm deep mixed media painting. The series is called "Viva la Vida". "Viva la Vida" is inspired by Coldplay's song. The British rock band took the title from Frida Kahlo's painting of the same name. My picture is a pop art painting full of joie de vivre and happiness. It is mainly painted with neon color. This expressive work of art is ready to hang, the sides are painted. Framing is therefore not absolutely necessary. The signature can be found on the front and back. Enjoy the joyful radiance of this picture!
