## Astrid Stoeppel: Picture "Blah!" (2025)

## €2,300.00

In this work, I have opted for a minimalist approach with a touch of pop art and symbolism. The use of acrylic with gradients reflects a flow of emotions, while the repetitive word "Blah" in different colors symbolizes the monotony and flooding caused by everyday conversations. It is a representation of the emotional drain that is often hidden in our modern abundance of communication. The work is painted on unprimed cotton, treated with fixative and thus protected from dust and UV rays. The work is signed and dated on the back.
