Astrid Stoeppel: Picture "Staining." (2023)

€3,200.00

The colorful work "Staining" is painted on transparent primed raw cotton. The acrylic colors are partly flat with the brush, partly rather liquid applied directly to the canvas, overall a strong and intense color composition. The work is additionally treated with fixative and thus protected from dust and UV rays. The artwork "Staining" is signed and dated on the back and can be hung directly.
