€4,400.00

Keith Richards. He is a founding member of the British band The Rolling Stones, which has existed since 1962, and has belonged to the formation continuously since then as rhythm and lead guitarist. His riffs and licks are formative for the sound of The Rolling Stones, occasionally appearing as the band's singer, soloist, electric bassist and in other formations. Richards writes together with frontman Mick Jagger. Since 1993, the Jagger/Richards writing duo has been a member of the Songwriters Hall of Fame. The painting is half analog and half digital, then digitally merged on canvas, mounted on a 4 cm thick stretcher frame and on the back a sturdy wooden cross, finally finished with acrylic paint. Steps/Method of work: Analog, Digital, Analog. One of a kind.
