

Sabine Schramm: Picture "Cherries / Cherries (Serial No. 210401)" (2021)

€2,500.00

The cherry - a symbol of passion and love A realistic work of the artist ... The way through the summer does not lead past these ripe, red shining fruits - seductive and tempting they hang on the trees and find their way into the picking basket of the artist. Fresh, fruity and sensual ... The vibrancy, the brilliance of the cherries virtually challenges the viewer to reach out and enjoy a few of the sweet fruits ...
