€990.00

Many shades of color seem to interact playfully with each other: mainly yellow shades, plus pink, orange, white, blue, lilac and violet as well as brown and black shades. The inspiration for this lively, positive color formation comes from the emotional experience of an outstandingly good moment. The picture is rich in detail and invites the inclined viewer to let their thoughts flow and immerse themselves. The painting has painted side edges and is signed by Peter Nottrott on the front bottom right and dated with the year of creation.
