

Beate Garding Schubert: Picture "Building Bridges No.16" (2022)

"We build too many walls and not enough bridges." Isaac Newton People try to balance on ropes in an abstract landscape. They struggle to get from one side to the other. Let us build bridges, bridges of kindness and consideration, bridges of tolerance. Everyone can take the role of building bridges in such a divergent world. the picture painted with acrylic ink is 100 cm wide x 100 cm high and 4 cm deep. The artwork is painted on natural linen and stretched on an aluminum frame. Museo Alu Frame does not warp and is durable and stable. It is firnist against UV light (Lascaux).
