

Peter Nottrott: Picture "Awesome Summer Day XXXL 1" (2022)

€11,990.00

Inspired by summer feelings, Peter Nottrott has painted with the green, yellow, orange, red, magenta, pink, blue, beige, lilac and black and white shades on his palette a picture that has a lively and loose character. It is characterized by many contrasts and details, it invites its viewers to discover them, following the promptings of the imagination and giving it free rein.... Because of its size, this abstract painting is particularly suitable for large rooms with high walls. A multicolored formation seems to unfold and conveys a positive atmosphere.
