

Beate Garding Schubert: Picture "At Home Is The End Of The World No.2" (2023)

€890.00

"At Home Is The End Of The World" is painted, scratched, sprayed on red background in many layers. There are some symbols on the artwork like houses, sun, trees, leaves, boats. The surface is both vivid and soothing in many areas. Red dominates. Playfulness, spontaneity and joy is central. Our home is extremely important to our lives. Many of my artworks revolve around the theme of home. Here we experience love and affection. This is where we feel safe and secure. "Here comes the sun..." The artwork is 60x60cm and 2 cm deep on high quality canvas. The sides are painted burgundy. The image is firnist (satin) to protect against UV light.
