

Jörg Herz: Sculpture "Steam bath" (2024)

€7,600.00

This masterfully crafted wooden sculpture captures the essence of deep relaxation and inner harmony. It depicts a woman resting in a hammam - her body relaxed, her mind immersed in a moment of perfect peace. Her flowing lines and gentle forms reflect the joy of life and a deep connection to the natural world. The warm, organic structure of the wood emphasizes the strength and constancy that rests within each of us. The artist invites viewers to pause, give themselves a break and enjoy the beauty of stillness. Unique piece / figure approx. 98 cm high / with pedestal 121 cm high x 46 cm wide/ x 35 cm deep / weight 35.5 kg / spruce and acrylic paint / wood sculpture made with a chainsaw / can stand outdoors, but will change depending on the weather.
