

## Holger Mühlbauer-Gardemin: Picture "City Colors" (2023)

**€3,010.00**

City Colors, when the light shines through the urban canyons in large metropolises and immerses it in unreal light and colors, I call it City Colors! The image is half analog and half digitally painted, then digitally merged on canvas, mounted on a 4 cm thick stretcher and on the back a sturdy wooden cross, finished with acrylic paint at the end. Steps/Method of work: Analog, Digital, Analog. One of a kind.
