

Gary Westall: Picture "Albert Bridge London" (2017)

€550.00

I painted this picture as part of a plein air painting trip to London in 2017. In my childhood, I often crossed the Albert Bridge to fish with my father and later to fish with my school friends. That's where my father taught me to fish, I was about 6 years old. Oil on HDF 30 x 24 cm Signed lower left.
