

Holger Mühlbauer-Gardemin: Picture "Keith R" (2023)

€4,380.00

Keith Richards. He is a founding member of the British band The Rolling Stones, which was formed in 1962, and has been with the band ever since as rhythm and lead guitarist. His riffs and licks are characteristic of the Rolling Stones' sound, and he occasionally appears as the band's singer, as a soloist, as an electric bassist and in other formations. Richards writes together with frontman Mick Jagger. The picture is half analog and half digital. It is one of a kind!
