

Mila Weis: Picture "Sunrise Colors No. 4" (2024)

€1,500.00

At the heart of this work, "Sunrise Colors No. 4", I wanted to capture the pulsating energy of a vibrant sunrise. Each stroke of acrylic paint in abstract, impressionism and minimalism reflects a piece of the morning calm and the awakening world. The warm palette of yellow, orange and deep blue-black evokes a sense of hope and new beginnings that fills every room with optimism and joy.
