

## Marina Krasnitskaya: Picture "Composition III" (2024)

€850.00

The image perfectly captures the texture of the apples and their shiny surface. The choice of colors varies from vibrant red and sunny yellow to soft greens. The painting exudes a fresh and healthy atmosphere, inviting the viewer to experience the tantalizing scent and taste of apples. The artwork is a tribute to the natural beauty of apples and reminds us to enjoy the simple pleasures of life. The golden 24" K finish gives the images an aura of exclusivity and enhances the overall picture. This gives the work a unique and appealing effect that captivates the viewer and further enhances the beauty of the artwork.
