€950.00

The Great St. Bernard Pass with its lake in the foreground. Painted on location with plein air oil paint in alla prima technique. Here, in this untouched nature, one finds not only beauty, but also a deep peace that embraces the soul and invites one to pause. The landscape constantly captivates the viewer, enhanced by the playful reflections of the water, which give the impression of a living painting. The picture was taken in September 2024
