

Dagmar Jacobs: Picture "Clouds over the beach" (2017)

€1,800.00

Water, an element of constant change. Powerful and still, destructive and nourishing. It will always fascinate me and I will paint it again and again. Even if it can't be seen here, it is still an element of this picture. It draws the horizon, the separation between the sky and the beach. The huge clouds reflect the power of the element air. Signed and dated.
