

Ella Joosten: Picture "Sunflower Four" (2024)

€2,140.00

In this vibrant acrylic piece, I've infused my passion for life's vivid moments. The sunflower's iconic bloom—a symbol of joy and vitality—dances through each brushstroke, blending impressionistic flair with a touch of realism. I want this artwork to radiate warmth and energy, echoing nature's resilience and beauty in every home it graces.
