

Sandra Gebhardt-Höpfner: Picture "Serenity 4" (2024)

I capture the whispering and movement of the water, the play of light here at a water lily pond. The water lilies bathe peacefully in the sun. The scene reflects peace and harmony. I want to bring this atmosphere into every room, an oasis of serenity that invites the viewer to pause and take a deep breath. The picture is signed on the front and signed+dated on the back. The sides are also painted and a hook is attached for direct mounting without a frame. The picture is protected with varnish with UV protection.
