

Peter Nottrott: Picture "Magnificent Anthracite XXXL 1" (2016)

A high-energy, modern painting in large format. A double center rich in contrast and detail sparks a festival of colors on the canvas, framed by a distinguished background in anthracite shades. The impressive effect of the painting is created, among other things, by the contrast of the warm colors of the center and the cool anthracite. Due to the extreme format, the work is shipped exclusively as a rolled canvas.
