

## Bea Schubert: Picture "Love you, babe No.1" (2023)

Through my art, I want to convey a message of hope that encourages people to believe in their dreams and realize them. By unleashing the full potential of each individual, we create a world of joy, affirmation and joyful resonance filled with contagious positivity. "Love you, babe" combines elements of Pop Art and Abstract Expressionism. The expressive color composition gives the work an energetic aura. The cactus stands for strength and resilience, the flying birds for freedom, the fish for lightness and tranquillity. Acrylic, acrylic ink (Schmincke), neon colors, neon pastels on high-quality canvas, 100x50 cm, 4 cm deep.
