

Astrid Stoeppel: Sculpture "Paperwork Minis!" (2024)

€800.00

For the Paperwork! series, Stoeppel uses thousands of colorful scraps of paper attached to canvas. The works are mounted on stretcher bars. The finished paper sculptures are also treated with fixative to protect them from dust and UV rays. The work Paperwork Minis! consists of three differently primed stretcher frames (20x20cm each), which can be freely combined. It is signed and dated on the back and was exhibited in Vienna in December 2024. The artworks of the German artist Stoeppel are part of public and private collections worldwide, including in the USA, Canada, Japan, South Korea, UAE, UK, Ireland, Spain, France, Austria, Italy, Germany and Switzerland.
