

## **Sonja Neumann: Picture "The beauty of the sea" (2023)**

**€1,300.00**

The oil painting "The beauty of the sea" shows the powerful movements of the sea. In this artwork, different aspects of wave formation are captured to create a dynamic and captivating representation. The brush strokes capture the movement of the waves. You can feel the gentle up and down movements as the waves crash and break. The bold colors of the sea, such as deep blue or turquoise, are used to convey the depth and vastness of the ocean. The light reflections and fine splashes on the waves are carefully emphasized, creating a lively and energetic atmosphere. The oil painting "The Beauty of the Sea" conveys the fascination and beauty of the sea, its power and calming presence.
