

Mina Ilic: Picture "You're So Fine" (2024)

€3,500.00

The artwork combines different styles and symbols on a black, matt and glossy background. At the center is an iconic Mickey Mouse head, which could be depicted traditionally or abstractly. Letters serve as graphic elements, while raw expressionist accents add dynamism and energy through spontaneous brushstrokes. The picture combines pop culture with abstract art in a powerful, high-contrast composition.
