

Mila Weis: Picture "Light Experience No. 8" (2022)

€2,700.00

In this work, I combine abstract dynamism with impressionistic lightness to create a minimalist expression of the deepest emotions. Using acrylic, I explore the boundaries between movement and stillness, layers of color reveal a play of light and shadow. This painting is an invitation to embark on an aesthetic journey that invigorates the senses and opens up new perspectives. It will create an energetic, inspiring atmosphere in any room.
