

Andrea Reichhart: Picture "DAISY study I" (2024)

€1,550.00

DAISY study I stands for the beauty of raw forms and the elegance of simplicity, which serves as Andrea Reichhart's creative compass. Her pictures impress with their modern and aesthetic simplicity. DAISY study I is from the HELIO series and combines expressive, minimalist shapes with soft colors, which are layered in several layers and many fine details. "It took me quite a while to finalize the base color for DAISY study I and I fell in love with it. I wanted it to be a little darker, warm, powerful and to shine with its modern silhouette in combination with muted white. DAISY study I is available solo and in combination with DAISY study II." The work is signed and dated and sealed with an additional varnish. Andrea Reichhart lives in Germany, studied at the Conservatory of the Arts in Amsterdam/Netherlands and has exhibited her work in Barcelona, Madrid, Zurich and Monaco.
