

Mila Weis: Picture "The Beginning / Exotic Yellow" (2024)

€1,850.00

In my artwork, I have opted for strong, bright yellow to create an atmosphere of joy and energy. The use of acrylic in a minimalist way allows for a clear, almost meditative depth. My intention was to create an environment of inspiration and renewal through the simplicity of form and the intensity of color. This painting is intended to create a sense of beginning and unlimited possibilities in any space.
