

Holger Mühlbauer-Gardemin: Picture "Punks" (2023)

€4,350.00

Punk is a youth culture that emerged in the mid-1970s in New York City and London, along with punk rock. No future, against the establishment, against everything! The image is half analog and half digitally painted, then digitally merged on canvas, mounted on a 4 cm thick stretcher frame and on the back a sturdy wooden cross, finally finished with acrylic paint. Steps/Method of work: Analog, Digital, Analog. One of a kind.
