

Andrea Reichhart: Picture "ROCCO study II" (2024)

€2,350.00

ROCCO study II is from the "La Dolce series", which combines expressive shapes in characterful black with soft and elegant beige tones and flowing lines. The beauty of raw forms and the elegance of simplicity serve as Andrea Reichhart's creative compass. Her pictures convince with a modern and aesthetic simplicity, in which she uses a natural and reduced color palette. "ROCCO study II is modern, sophisticated and playful at the same time. The artwork was created in several layers, reveals many small details and is also available as a duo as ROCCO study I and II." The work is signed and dated and sealed with an additional varnish. Andrea Reichhart lives in Germany, studied at the Conservatory of the Arts in Amsterdam/Netherlands and has exhibited her works in Barcelona, Madrid, Zurich and Monaco.
