

Marit Symalla: Picture "Black Cat" (2022)

€680.00

Acrylic and spray paint on canvas with stretcher. Everyone probably knows it, the saying "black cats bring bad luck!". Unfortunately, there are still many today with this and other thoughts in mind. For example, black cats still have it harder to be placed in a shelter than others. Therefore, the focus of my painting, this wonderful animal, it stretches for a new day and enjoys the moment.
