

## **Peter Nottrott: Picture "Revive XXL 6" (2022)**

**€3,290.00**

Almost fiery, the orange colorful color fountain seems to rise. For this purpose, white, yellow, pink, magenta, blue, beige, brown, red and green shades were additionally mixed on the palette. While the center is made rich in contrast and detail, the background is more flat and pastel in cool shades. The painting is signed on the front bottom right by Peter Nottrott and dated with the year of creation.
