

## Ute Meyer: Picture "Poppies" (2024)

**€1,300.00**

I painted this picture in my garden at the end of May. I used bold, dynamic brushstrokes to capture the mood of the afternoon in an impressionistic way. I was inspired by the vibrant red of the poppy flowers surrounded by the delicate purple of the night violets. This oil painting brings vibrant energy into a room, invigorating the mind and soothing the soul. The suspension consists of a steel cable, the edges are painted. The picture can be hung without framing. My signature is on the front.
