

Mina Ilic: Sculpture "Mickey, the superhero" (2024)

€600.00

Mickey is a superhero with exceptional speed and agility. He is known for his quick mind and his ability to react at lightning speed. Mickey uses his powers to fight crime in his city and help people in need. With his charming smile and unwavering determination, he is always ready to fight evil and bring justice. Despite his abilities, Mickey remains down-to-earth and shows that true strength lies not only in physical power, but also in the heart.
