

Bea Schubert: Picture "All You Need Is Love No.19" (2024)

€500.00

All You Need Is Love No.19 is 30cm x 30cm acrylic, ink, pastel chalk on 1 cm deep canvas. The artwork is expressive and has street art elements. It is intensely colorful and expresses love. Butterflies are sprayed in red. Countless layers of paint give the artwork depth. It is signed on the front and back. The artwork is glazed with UV protection (silk matt) and can be hung on your wall immediately. The edges of the picture are painted dark blue, which creates a beautiful frame. The picture is inspired by The Beatle's Song. My intention is to send love, light, hope and positive vibes into the world. Each of my paintings is an invitation to be carried away by the power of optimism. They are created to uplift and inspire the soul to not only dream your dreams, but to boldly live them.
