

Judith Riemer: Picture "Garden heartbeat 1" (2023)

€650.00

"Gartenherzschlag 1" is a plant-based abstract oil painting. The square work is inspired by emotional and deep insights into a blooming garden. In this artwork, abstract flowers and flower capsules merge into a harmonious symphony of organic shapes and vibrant colors. The different layers and textures give the artwork a fascinating depth that invites the viewer to immerse themselves in the picture and explore the hidden details. The viewer is invited to marvel again and again at the energy and wonder of nature. The work is painted with highly pigmented oil paints and finished with a glossy dammar resin varnish.
