

Sandra Gebhardt-Höpfner: Picture "Lilies Dance 3" (2024)

€1,790.00

Water lily pond painted in oil. The interplay of water, flowers, a little wind and light fascinates me. I can stand on the banks of a water lily pond for hours and watch the spectacle. Original oil painting on stretcher frame. The painting is sent with a certificate of authenticity. It is signed on the front and signed and dated on the back.
