

**Peter Nottrott:
Picture "Awesome Daydream XXL 1" (2019)**

€5,490.00

A very expressive acrylic painting in large format, which is inspired by daydreaming - and perhaps can inspire you to dream. After all, dreams are special moments in which the natural laws of time and space can be out of force - for this, the impossible can become possible. Peter Nottrott has created a modern color composition in brown, purple, yellow, red, white, blue, black, beige, pink, green, orange and magenta hues. The painting is signed by Peter Nottrott on the front bottom right and dated with the year of creation.
