Astrid Stoeppel:
Picture "Neutral flower #2" (2021)

In the series "Neutral" I deliberately renounce my usual, powerful color palette. My works are thus reduced to geometric shapes as well as structure and stand for simplicity, tranquility and the harmonious interplay. For this series Stoeppel uses high quality acrylic paints, stretcher and canvas. The works are ready mounted on stretcher bars, treated with fixative and thus protected from dust and UV rays. The work is signed and dated on the front and back.
